June 10, 2011

Dear Mr. Moyers:

On behalf of the administration and staff of Matawan Regional High School, I want to personally thank you for your most generous scholarships/awards given to our graduating seniors. To those of you who were able to attend and make your own presentations at our ceremony it made the evening extra special. For many who could not attend we sincerely understand and would like you to also know we are all grateful, especially our recipients, for supporting our students' achievements in such a generous fashion. May you have a relaxing summer filled with good health and happiness. It was my sincere pleasure work with you this year and I look forward to working with you again in the spring of 2012.

Sincerely,

A handwritten signature in cursive script that reads "Ms. Florence DeCosta".

Ms. Florence DeCosta
Guidance Counselor
